New Look -- Renewed Energy
Same Mission and Commitment
Our strong partnership with the business community provides support to our Competitive Employment and Community Participation programs. In 2021, 83 clients elected to receive services outside the facility for a portion of their time through the Community Participation program. This program provides our clients with opportunities that foster independence and inclusion by engaging them in meaningful activities in settings where they are able to interact with others without disabilities. Additionally, 40 clients have been served in the Competitive Employment program through job development, job search, and ongoing support in order to achieve and maintain employment that pays competitive wages and is fully integrated into the community.

Recognizing that Handi-Crafters areas of support have evolved over our 60 years of operation, in 2021, we introduced our new name and logo!

We will be launching our new website in 2022!

2021 was a year of positive change at Handi-Crafters. We are excited about our “new look” and expanded services. Our mission remains steadfast.

Empowering individuals with disabilities to lead more independent, productive and fulfilling lives.

Thank you for your continued support.

Kathryn Thompson

Kathryn began working at HCOC in 2010. Over the past 12 years, Kathryn has acquired many skills. Recently, Kathryn expressed a desire to work at Kohl’s department store. The rest is history!

Edie MacCarty, our Lead Employment Specialist worked with Kohl’s management to identify an employment opportunity for Kathryn. In October 2021 Kathryn was hired and has responsibilities for folding children’s clothing, organizing displays and assisting customers. Kathryn has inspired others at HCOC to seek competitive employment. Kathryn is truly an inspiration.

“She looks forward to going to work. HCOC has given her a sense of independence and responsibility. We are very grateful for HCOC and the service they provide.”
- Bruce & Kim, Kathryn’s Aunt & Uncle

Paul Palmer

Since entering HCOC in 2009, Paul has focused on job skills and setting goals. A significant accomplishment in building independence, he uses public transportation and Uber to get to and from his job at Cracker Barrel. Paul joined the Cracker Barrel team in 2019 as a server’s assistant.

He works several afternoons each week and enjoys videos games and basketball in his free time. Paul is a role model for all clients for HCOC.
The 35th Annual Hankin Invitational was held on October 4, 2021 at the Whitford Country Club. Over 200 golfers and 100 sponsors participated in this special event. Thanks to all golfers and sponsors who helped raise a record-setting $275,000 in support of our mission.

On October 17, 2021, HCOC hosted our 60th-anniversary celebration and first annual Fall Fest. Families, friends, and neighbors gathered on the HCOC campus and enjoyed food, music, and games.
