

Each year, we help over 300 individuals gain access to rewarding employment opportunities in the community and in our Skill Development Work Center. We see our customer's coming back to contract more jobs once they see the quality of our work. Over 98% of our workers feel the value in the mission of HCOC, and gain self-esteem, confidence, and independence, thanks to the work they do at HCOC!

# 21st Century Solutions to Staffing Shortages
